Fundamental questions
Elemental answers

Manuscript accepted? Congratulations!

It is now time to choose your article licence. Corresponding authors from this institution can obtain a 15% discount on APCs to make their article Open Access.

To take advantage of this discount, click the link in your acceptance email and follow these steps:

Step one: go online

Your link will take you to this web page.

Your name should be listed as the corresponding author.

Scroll to the bottom and press start now.

Article Licensing

1: START > 2: CHOOSE > 3: SIGN > 4: REVIEW

LET'S START

These are the details that were provided during article submission. If you need to make any changes you will be able to do so as part of the proof correction process.

ARTICLE DETAILS

Poly(N-isopropylacrylamide) modified polydopamine as temperature-responsive surface for cultivation and harvest of mesenchymal stem cells

Journal	<i>Analyst</i>
Manuscript ID	C7AN02336G
Manuscript Type	Paper

AUTHORS

Full Name	Email	Institution	Corresponding
Author A	authora@inst.com	Institution 1	Yes
Author B	authorb@inst.com	Institution 2	No

FUNDERS

Funder	Funder ID	Grant Number

Click the "Start Now" button to choose a publication route and sign your licence to publish.

START NOW

Step two: pick your route

1: START > 2: CHOOSE > 3: SIGN > 4: REVIEW

CHOOSE A PUBLICATION ROUTE

Please select a publication route for your article. You can choose from standard (traditional) publication or gold open access. See our website for more information about [open access](#).

STANDARD PUBLICATION

Version of record available to institutions with a subscription

Accepted manuscript available after embargo (allows the accepted manuscript to be made green open access via a repository after 12 months)

Author retains copyright

Others have restricted sharing and reuse rights

FREE

No article publication charges

Select our standard licence

GOLD OPEN ACCESS PUBLICATION

Version of record is freely available to everyone

Open access is immediate upon publication (payment of article processing charge may be required before publication)

Author retains copyright

Others can share and reuse

Membership or institutional discounts may apply

£1,920.00 (includes 20% tax)

Payable by author, institution or funder

Select an open access licence

Select gold open access and press continue

Select a publication route to continue.

CONTINUE

Step three: sign your licence

1: START > 2: CHOOSE > 3: SIGN > 4: PAYMENT OPTIONS > 5: REVIEW

SIGN YOUR LICENCE ONLINE

We offer a choice of two Creative Commons licences. Creative Commons is a global non-profit organisation, offering free open access licences. Further information is available on the [Creative Commons website](#). You may select the appropriate licence according to your funding body and research institute requirements or your personal choice.

CC BY Creative Commons Attribution	CC BY-NC Creative Commons Attribution Non-Commercial
<p>Under this licence other users are free to:</p> <ul style="list-style-type: none">• copy and redistribute the material• reuse, adapt, and build upon the material for any purpose, even commercially <p>The user must give appropriate credit to the original copyright owner</p>	<p>Under this licence other users are free to:</p> <ul style="list-style-type: none">• copy and redistribute the material• reuse, adapt, and build upon the material but not commercially <p>The user must give appropriate credit to the original copyright owner</p>
<input type="radio"/> Select CC BY	<input type="radio"/> Select CC BY-NC

Check the full terms
of each licence

Once you are happy,
agree to your
preferred option and
press continue

Select an open access licence. You will then need to agree to the licence terms.

CONTINUE

Step four: payment options

1: START > 2: CHOOSE > 3: SIGN > 4: PAYMENT OPTIONS > 5: REVIEW
